[b] The war declared by the British Empire and her allies upon Germany and Austria has not yet come to an end but from the events of the past it is quite clear that it will end in the glorious victory on the side of the allies.

[c] A motor Ambulence which cost about Rs. 160000 was put at the disposal of the War Office for Military service by the Chiefs of Kathiawar and this Taluka paid Rs. 881–1–9 as a part of its subscription. When the said ambulance was presented to H. I. M. the King Emperor for inspection H. I. M. was gracious enough to appreciate this loyal gift in befitting terms.

[h] Our D. S. attended the opening ceremonies of the Garasia Hostel at Babra performed by his Honour the Agent to the Governor Kathiawar and he subscribed a sum of Rs. 500-0-0 as an endowment to this institution.

# CHAPTER II.

## ADMINISTRATION OF LAND.

The system of land Revenue in the Bhagbatai system and not the Vighoti. There were two kinds of levy in this Taluka. One levy in kind and the other levy in cash which included vero and other auxiliary taxes, but last year it was put a stop to and it was computed into kind levy one-half share of the produce of the winter crop being taken by the Darbar in consideration of the levies of Vaje Vero &c. and ¼th share in the irrigated crop. But this year, being a year of poor harvest and most of the cultivators being in favour of the old Vahivat, it is ordered by the Darbar that the old system of Vahivat be continued for this year.

2. With the exception of the Gir land there is very little culterable waste in this Taluka. The greater portion of land in the Gir is being preserved for forest purposes.

3. There were no alienations of land or settlement of boundary dispute during the year under report.

4. As there was defficiency of rain this year, instructions have been given to the Vahivatdars to report if there is any case in which any remission or suspension in cash levy of vero is needed.

## CHAPTER IV.

### GENERAL CONDITIONS.

The average rainfall during St. 1971 was 13 Inches 77 Cents while during St. 1970 was 36 Inches 10 Cents [ vide App. XVII ].

2. The general condition of the people in this Taluka during the year was satisfactory. There was deficiency of rain in the first part of the monsoon and we apprehended that this year will be a year of famine, but last timely down pour in the middle of September 1915 proved most favourable to the crop and changed the out-look altogether but the deficiency of rain from the begining hampered the usual growth of the crop and so this year as a whole will be a year of poor harvest.

3. The chief articles of trade are food, grains and cotton. There are no manufactures to speak of. A little cotton is woven by the poor but it is mostly for home consumption. The prices of food, grains are given in [ App. XVII ].

4. A sum of Rs. 11143-0-3 was spent on public works such as Darbar buildings etc. shown in App. XIX.

It may be noted here that as shown in App. XIX a road is repaired as a fair weather motor road within our limits of Samadhiala leading from Jetpur Station to Vadiadevli Station via Thanagalol at a cost of Rs. 125-0-0. The daily wages of labourers of males femalea and children are 5-4 and 3 annas respectively. The wages are rising every year owing to high local demands.

5. The condition of the agriculture and agricuitural stock is satisfactory. The number of agricultural stock is shown in App. XX.

# CHAPTER V.

## REVENUE & FINANCE

The sale of liquor and other intoxicating drug is prohibited in this Taluka and hence there is no income from that source [ vide App. XXI ]. The contract for the sale of narcotics especially opium and ganja is given for the whole of Jetpur Taluka by the Jetpur Court on behalf of the shareholders of Jetpur and the income derived from that source is divided among the Jetpur shareholders in proportion of their respective shares in the Taluka.

2. There is one forest in the Gir and the care is being taken to preserve it. The sale of teak wood timber, fuel and grass from the Gir brings a good income to the Taluka.

3. This Taluka has got a 2 anna share in the J. R. Railway.

4. The rain fall during St. 1971 being only 13 Inches 77 Cents winter or Kharif crop was a little damaged and Rubi crop also was poor owing to want of water in wells and the prices of cereals and cotton fetching ordinary rates this year on the whole has turned out to be about 8 annas in a rupee.

The average annual income of this Taluka is about 100000 Rs. and the expenditure about Rs. 90000, the actual receipts and expenditure for the year under report are given in App. XXII.

It will thus appear that this Taluka is financially in a prosperous condition.

# CHAPTER VI.

2. However there are Dispensaries at Jetpur and Chital managed by the Taluka Court and one at Mendarda managed by the shareholders. They

are maintained at the joint expenses of the shareholders and this Taluka pays its share of the cost.

3. In the year under report there were 307 births and 132 deaths, while in the previous year there were 311 births and 191 deaths. Thus there is a decrease of 4 births and 59 deaths. The birth and death rates of this year are respectively 41·7 and 17·9 while those of the previous year were 42·2 and 25·9 per thousand [ vide App. XXIV ].

Birth and death Registers are kept in all villages of this Taluka by the Police patels and a monthly return is submitted to the Political Agent Sorath Prant from the Nyayadhish Court of this Taluka. (e) A meeting of Padda Nashin Ladies of Pithadia and of Jetpur, to snbscribe the War Loan was first held in this province under the presidentship of Mrs. Oldfield, who was kind enough to come down to Pithadia at her great personal inconvenience and who fnlly impressed upon the Ladies the importance and

the urgency of contributions to War Loan and explained the aims and object of it and induced many to subscribe. An amount of Rs. 6500/- was subscribed on the spot. It may be further noted that complete success of the meeting was due to the organizing capacity of Mrs. Dinsha, who took a great amount of trouble in gathering here the Ladies of Jetpur. It is a pleasure to state that Darbar Saheb at the same time declared his intention to purchase War Loan for the sum of Rs. 100000/-.

(f) Past events of a few months in different theaters of war are ample testimonies of the successful termination of the war on the side of the Allies.

21. App. X and XI show the work done by the Nyayadhish and Hazur Court. No original suit was filed or execution of decrees applied for in the Hazur Court during the year under report.

22. In all 14 suits were filed in the Court of the Nyayadhish during the year of which 13 were monetary and one for specific performance of conjugal rights against 13 in the previous year. There is a great decrease in the number of suits filed which is due to the fact that in these hard times of abnormal dearness people care much to earn their livelihood than going to litigation.

23. One appeal was filed in the Hazur Court against the decision of the Subordinate Court but its decision was confirmed [vide App. XII.]

24. Extradition was obtained in respect of the following persons through the intervention of the Agency Courts.

[a] Kathi Jiva Golan and Charan Naran Hardas of Randhar were handed over by Khijadia estate to this Taluka for an offence of theft Sec, 379 I. P. C.

The Nyayadhish was appointed Registrar of the State and he registered one document relating to an immoveable property, as shown in App. XIV and XV. There is no separate establishment for this purpose and hence there was no cost on account of the same.

28. Municipal Administration:—App. XVI. is appended, There is no regular municipality in any of the Swang villages of this Taluka. Steps were taken to keep roads and streets in the villages clean by Bhangis. There are however municipalities at Jetpur, Chital and Mendarda. The municipality at Jetpur is managed by a committee of Talukdars lately appointed, that at Chital by a committee formed of the representatives of the Chital Bhagdars and that at Mendarda by the shareholders themselves.

All the three municipalities are maintained at the joint expenses of the shareholders concerned. New municipal rules for the municipality at Mendarda have been framed by all the shareholders concerned and they came into force with effect from 1st April 1918.

ROYAL ASIATIC SOCIETY. LIBRARY OF THE BOMBAY BRANCH OF THE

THE ANNUAL ADMINISTRATION REPORT OF

THE TALUKA OF

# D. S. WALA MULU SURAG

# of JETPUR.

For the Year 1918-19 St. 1974-75.

## CHAPTER I.

### GENERAL AND POLITICAL.

The area of this Taluka is 35 square miles. It has now in all 19 suwang villages, a list of which was given in the year 1914 in compliance with the instructions contained in letter No. 2508 dated 12th May 1914 from the office of his Honour the Agent to the Governor Kathiawar. Besides these this Taluka has Joint shares on separate paties in 7 Mazmu villages. The population of the Suwang villages of this Taluka according to the census of 1911 is 7362 souls and the average gross revenue of this Taluka is about Rs. 1,00,000.

2. The tribute payable by this Taluka is as follows:— [ vide App. XXI A.]

| | | |
|---|---|---|
| Government Tribute | Rs. | 5057—8-0 |
| Gaekwar Tribute | „ | 53-12-6 |
| Amreli Jamabandhi | „ | 1435—8-0 |
| Junagadh Jortalabi | „ | 523—4-0 |
| Total | Rs. | 7070 -0-6 |

3. The Chief Walá Mulu Suraj by name is a Kathi by caste and is 48 years old and enjoys a fourth class jurisdiction [ Vide app. 21 B. ] He has hitherto no heir either natural or adopted.

4. He has got five wives.

5. The noteworthy events during the year under report are as follows:—

[1] Lieutenant Colonel Oldfield Political Agent Sorath Prant visited Pithadia in September 1918 and February 1919 to see the famine arrangements and gave us certain salutary advice for which we are greatly indebted to him.

[2] The following amounts were subscribed towards different war funds:—

| | |
|---|---|
| 200—0-0 | Paid towards silver wedding Fund opened by H.E, Lady Willingdon. |
| 269—6-0 | Do. towards the contribution for the different kinds of war purposes. |
| 31—7-0 | Do. Contribution by my Kamdar towards "Our day" fund. |
| 5745-15-6 | Do. towards the expenses incurred including allowances, travelling expenses of the party for contributing recruits towards war. |
| Total 6246-12-6 | |

[3] Besides these a sum of Rs. 1000 was contributed towards the expenses of a banquet given to Their Excellencies Lord and Lady Willingdon by the princes of Bombay Presidency on their departure to England. D. S. Mulu Wala had gone to Bombay to bid them farewell and pay his respects to the new Governor.

The above will no doubt show the unflinching loyalty and devotion to duty as a chief, of Wala Mulu Surag towards the British Government.

[4] The British and their Allies got brilliant success over Germany and as a result the hostilities between the belligerent powers ceased and an armistice was signed proving that eventually justice preponderated over might.

[5] The services of R. S, Nanabhai H. Dave as adviser to the Chief were dispensed with and Mr. J. R. Desai was appointed as Kamdar in place of Mr. D. V. Patwari who was unable to rejoin his services on account of sickness.

# CHAPTER II.

## ADMINISTRATION OF LAND.

6. The system of land revenue is Bhagbatai system and not the Vighoti. There are two Kinds of levy in this Taluka, one levy in kind and the other in cash which includes Vero and other auxiliary taxes.

7. With the exception of the Gir land there is very little culturable waste land in this Taluka. The greater portion of the land in the Gir is being preserved for forest purposes.

8. There is no alienation of land or settlement of boundary disputes during the year under report.

9. As this year is a famine year instructions have been given to the Vahiwatdars, to suspend the recovery of the Vero for the next year from those cultivators who cannot afford to pay it

# CHAPTER III.

## PROTECTION AND LEGISLATION.

10. The laws in force in the Taluka are those mentioned in Appendix II.

11. Military force App. III. There is no military force in this Taluka.

*Police.*

12. The number of regular Police including three Swars one Jamadar one Havaldar one Naik with one writting constable is 17. The police are employed as Jail guards in Pithad.a and Swars in miscellaneous Darbari work.

13. They are armed with muzzel loading Rifles and carbines and are trained in drill. In addition to the above this Taluka employs 15 Police-Patels 80 Pasaitas or village police and 110 men of Sirbandhi varying according to requirements. These men are employed in revenue works and the number has hitherto been found sufficient for the preservation of peace and order and for the detection of crimes. The cost of Police is Rs. 2364-0-0 and pay of three Fozdars is Rs. 1020-0-0 thus making a total of Rs. 3384-0-0 [ Vide app. IV]. In addition to their pay Police are given grain compensation on account of high rates of cereals.

14. The ratio of police including the village police and sirbundhi to population is 3·01 per hundred and 6·3 per square mile. Statistics of work done by Police are given in tabulated form [ vide App. V, VI, VII.

15. *Criminal Justice.*—This Taluka possesses one subordinate court and one Hazur Court. The subordinate court is called the Nyayadhish Court and is presided over by the Nyayadhish who is invested with the powers of a First Class Magistrate. He is also a Committing magistrate. The Hazur Court is appellate Court of this Taluka. The work performed by the Nyayadhish as well as by the Hazur Court during the year under report is shown in App. VIII and IX.

16. There was no appeal filed against the decision of the Nyayadhish Court during the year under report.

17. *Civil Justice.*—The Subordinate Court i.e. the Nyayadhish court is also empowered to hear suits upto the value of Rs. 5000. Appeals lie against the decision of that Court to the Hazur Court which exercises the original jurisdiction to hear suits upto the value of Rs. 10,000.

18. App. X and XI show the work done by the Nyayadhish and the Hazur Court. No original suit was filed or the execution of decrees applied for in the Hazur Court during the year under report.

19. Nine suits were filed in the Court of Nyayadhish during the year of which 7 were monatary and one for landed property and one for the specific performance of conjugal rights. There is great decrease in the number of suits filed during the year under report. This is due to famine because in these hard times people care much to earn their livelihood than going to litigation.

20. Three appeals were filed in the Hazur Court during this year against the decision of the Nyayadhish of which two have been disposed off. [ vide App. XII.]

21. *Extradition:*- The following persons were handed over with the intervention of the Agency.

24. *Registration.*—Registration Rules have been framed and published by this Taluka. No document was registered in this year as shown in App. XIV and XV. There is no separate establishment for this purpose and hence there is no cost on account of the same.

25. *Municipal Administration* :—App. XVI is appended. There is no regular municipality in any of the suwang villages of this Taluka. Steps were taken to keep roads and streets in the villages clean by Bhangis. There are however Municipality at Jetpur as managed by a committee of Talukdars lately appointed, that at Chital by a Committee formed of the representatives of the Chital Bhagdars and that at Menderada by shareholders themselves.

All the three Municipalities are maintained at the joint expenses of the share holders concerned. New municipal rules for the municipality at Menderda have been framed by all the share holders concerned and they came into force with effect from 1st April 1918.

## CHAPTER IV.

### GENERAL CONDITION.

26. The average rainfall during the year 1918-19 was 2 inches 35 cents against 34 inches and ~~15~~ 75 cents in the preceeding year vide App. XVII. As there was very scanty rainfall the situation was gloomy but with the liberal help of the Durbar Saheb all the cultivators were enabled to tide over this famine. Tagavi and grass and money for Kos, Varat were freely given by the Durbar to all the needy cultivators and by this help they were able enough to produce fodder in their Wadis such as Indian corn, lucern grass, Jara &c. and thus were able to save their cattle.

A famine programme for relief works for the labouring classes has been prepared but no necessity has arisen to employ them on work as they get local labour on very high wages.

It is worthy of note that our Durbar Saheb has subscribed the following amount towards the following funds :—

600-0-0 Given to the cheap grain shop opened by the Mahajans of Jetpur.

| | |
|---|---|
| 200-0-0 | given to the Panjrapol of Amreli. |
| 200-0-0 | Do. Do. Do. of Bhayavadar. |
| 251-0-0 | Do. in aid to the cattle camp and the cheap grain shop at Mendarda. |
| 50-0-0 | Do. to the Panjrapol of Bilkha. |
| 1301-0-0 | |

In addition to the above liberal subscription a poor house is opened at Pithadia where cooked food is given to those who come there for their meal, without any distinction of caste and creed.

The opening of cheap grain shop and cattle camps in big towns has given great relief to the poor classes of people and cattle of surrounding villages and it is worthy of note that no emaciated persons are found wandering in the street as was the case in the time of famine of the year St. 1956.

Since our Durbar Saheb came to the Gadi this province was visited thrice with terrible famine inspite of this no debt was contracted by this Taluka. This cogent fact speaks very highly of the supervising capacity and the keen eye of our Darbar Saheb over the revenue administration of the Taluka.

27. And on the whole the general condition of the Taluka is maintained quite satisfactory.

28. The chief articles of trade are food grains and cotton there are no manufactures to speak of. A small quantity of cotton, is wooven by the poor and it is mostly for home consumption.

29. The prices of food grains are given in App. XVIII. A reference to this Appendix will show that the prices of cereals ruled very high duriug the year which was partly due to the failure of monsoon crops and partly to the difficulty of transport of importing grains from outside places.

30. A sum of Rs. 38472-12-7 was spent on public works as shown in App. XIX.

31. The condition of the agricultural stock is pretty fair. The details of the number is shown in App. XX. There was no epidemic disease among the cattle.

# CHAPTER V.

## REVENUE AND FINANCE.

32. A contract for the sale of country liquor at Samadhiala was given for Rs. 150 for this year. Licenses are issued for the sale of Ganja in the Taluka. The total income on this account amounted to Rs. 145-0-0. The production of Ganja in the State is now carried on departmentally by the Taluka. A contract for the sale of opium in the Jetpur Taluka and that for Ganja in mazmu villages is given by the Taluka Court Jetpur. The income derived therefrom is divided among Jetpur shareholders in proportion to their respective shares in the Taluka and villages.

33. There is one forest in the Gir and care is being taken to preserve it. The sale of teakwood and timber fuel and grass from the Gir brings a good income to the Taluka.

34. This Taluka has got a two annas share in the Jetalsar Rajkot Railway.

35. The rainfall during the year being very scanty the Kharif crops will be about two annas in a rupee and the irrigated crops will be almost eight annas in a rupee and these yieldings coupled with the high rates of cereals will bring an income about 5 to 6 annas in a rupee.

36. The average annual income of this Taluka is about Rs. 100000 and the expenditure about Rs. 90000. The actual receipts and expenditure for the year under report are given in App. XXII. It will thus appear that the Taluka is financially in a prosperous condition.

# CHAPTER VI.

## MEDICAL AND VITAL STATISTICS.

37. There is no Hospital or Dispensary in any of the Suvang villages of this Taluka [ vide App. XXIII. But Doctor B. R. Patel L. M. & S. who is the family doctor to the Chief treats the people of Pithadia gratis with the help of the Durbar Saheb. There are dispensaries at Jetpur Chital and Mendarda. The former two are managed by the Taluka Court and the last one is managed by the shareholders of Mendarda. This Taluka pays its share of the cost on account of the same.

38. During the year under report there were 196 births and 605 deaths while in the previous year there were 307 births and 232 deaths. Thus there is a decrease of 111 births and increase of 373 deaths. The birth and death rates during the year were respectively 26·6 and 82·1

against 41·7 and 31·5 per thousand [ Vide App. XXIV]. The reason of an extraordinary increase in the death rates is due to influenza all over the province. The birth and death registers are kept in all villages of this Taluka by the police patels, no separate establishment being engaged for the purpose there is no separate item of expenditure on this account.

39. The number of children vaccinated during the year under report is 203 [ 108 Boys and 95 Girls ].

# THE
# ANNUAL ADMINISTRATION REPORT OF
## THE TALUKA OF
# D. S. WALA MULU SURAG
# of JETPUR.

For the year 1919-20 St. 1975-76.

## CHAPTER I.

### GENERAL AND POLITICAL.

The area of this Taluka is 35 square miles. It has now in all 19 suang villages a list of which was given in the year 1914 in compliance with the instructions contained in letter No. 2508 dated 12th May 1914, from the office of the Agent to the Governor Kathiawar. Besides these this Taluka has joint shares or separate Patis in 7 Mazmu villages. The population of the Suang villages of this Taluka according to the census of 1911 is 7362 souls and the average gross revenue of this Taluka is about Rs. 100000.

2. The tribute payable by this Taluka is as follows:—[ vide App. XXI A ]

| | | |
|---|---|---|
| Government Tribute | Rs. | 5057—8–0 |
| Gaekwar Tribute | „ | 53–12–6 |
| Amreli Jamabandhi | „ | 1435—8–0 |
| Junagadh Jortalbi | „ | 523—4–0 |
| Total | Rs. | 7070–0–6 |

3. The Chief Wala Shri Mulu Surag by name is a Kathi by caste and is 49 years old and enjoys a fourth class jurisdiction [vide App. 21 B ]. He has hitherto no heir either natural or adopted.

4. He has got now 4 wives one by name Bai Shree Sombai having died in November 1919 at Benares.

5. The note worthy events during the year under report are as follows :—

1. D. S. left on a pilgrimage on the 21st October to visit sacred places in India with his family members and a retinue of 100 men leaving the Taluka in charge of D. V. Patwari. It was his intention to visit almost all the sacred places and pass three months in tour. He first visited Dakorji and thence the party left for Ujain and thence to Muttra to bathe in the River Yamuna on the 2nd of the bright half of Kartik which is known as Bhaibij holiday, thence the party left for Benares to bathe in the Ganges on the eclipse day which was to take place on the Fullmoon day of Kartika. During their sojourn at Benares Darbar Saheb's second Rani Saheb Bai Shree Sombai niece of the late Darbar Saheb Ala Khachar of Jasdan who was a very pious lady and staunch in religion died there, on account of fever and the party had to return home, owing to this unfortunate incident.

2. One Ford Motor Car was given to Government by the Darbar Saheb as an humble present for military use in the Afghan Campaign.

3. Peace Celebrations were observed with great eclat and remissions in punishment were given to prisoners according to the suggestions of the honourable government of Bombay.

4. Darbar Saheb Mulu Wala has resolved upon to construct a ghat on the bank of the River Bhadar at a cost of Rs. 10000 in order to perpetuate the memory of Bai Shree Sombai and the foundation stone was laid in February last and the work of construction will be taken up in hand very shortly. The construction of this ghat will prove a great boon to the women of Jetpur because it will give them great facility in fetching water.

5. In addition to the donation given last year in panjrapoles and cheap grain shops, sum of Rs. 1000 was given by Darbar Saheb to the Sorath Cattle relief fund started under the supervision of Colonel Oldfield the then Political Agent Sorath.

6. Major L. E. Lang Political Agent Sorath was kind enough to visit Pithadia during his sojourn at Jetpur in February last.

7. In appreciation of the services rendered by Mr. D. V. Patwari during Darbar Saheb's absence in pilgrimage along with his past services as Kamdar he has been appointed as personal assistant to the Darbar and Mr. J. R. Desai continues as Kamdar.

## CHAPTER II.

### ADMINISTRATION OF LAND.

6. The system of land revenue is Bhagbatai system and not the Vighoti. There are two kinds of levy in this Taluka, one levy in kind and the other in cash which includes vero and other auxillary taxes.

7. With the exception of the Gir land there is very little culturable waste in this Taluka. The greater portion of the land in the Gir is being preserved for forest purposes.

8. There is no alienation of land or settlement of boundary dispute during the year under report.

9. This year being a year of good harvest no suspension of vero or other taxes is necessary.

## CHAPTER III.

### PROTECTION AND LEGISLATION.

10. The laws in force in the Taluka are those mentioned in App. II

11. Military Force App. III.:—There is no military force in this Taluka.

*POLICE.*

12. The number of regular Police including three Swars, one Jamadar, one Havaldar, one Nayak and one writing constable, is 17. The police are employed as jail guards in Pithadia and swars in miscellaneous Darbari work.

13. They are armed with muzzle loading rifles and carbines and are trained in drill. In addition to the above this Taluka employs 15 Police patels, 80 pasaetas or village police and 92 men of Sirbandhi varying according to requirements. These men are employed in revenue work and the number has hitherto been found sufficient for the preservation of peace and order and for the detection of crimes. The cost of police is Rs. 2364-0-0

and the pay of 3 Fozdars is Rs. 1020. In this year one new post of Rs. 25 of a Fozdar is created and is styled Fozdar Jetpur division because the Fozdar who is stationed at Valerdi on the Chital side was found unable to supervise 3 villages of the Jetpur side which are situated at a long distance from Chital and not within easy reach from any Railway station, thus adding this amount of Rs. 300 the whole cost of police amount to Rs. 3684-0-0 ( Vide App. IV. )

In addition to their pay they get grain compensation on account of high rates in cereals.

14. The ratio of police including the Village police and Sirbandhi to population is 2·7 per hundred and 5·8 per square miles. Statistics of work done by police are given in tabulated form ( Vide App. V-VI and VII ).

15. *Criminal Justice:*— This Taluka possesses one Subordinate Court and one Hazur court. The Subordinate Court is called the Nyayadhis Court and is presided over by the Nyayadhish who is invested with the powers of a first class Magistrate. He is also a committing magistrate. The Hazur Court is the appellate Court of this Taluka. The work performed by the Nyayadhish as well as by the Hazur Court during the year under report as shown in App. VIII and IX.

16. There was no appeal filed against the decision of the Nyayadhish Court during the year under report.

17. *Civil Justice:*—The subordinate Court i. e. the Nyayadhish Court is also empowered to hear suits upto the value of Rs. 5000. Appeals lie against the decision of this Court to the Hazur Court which exercises the original jurisdiction to hear suits upto the value of Rs. 10000.

18. App. X and XI show the work done by the Nyayadhish and the Hazur Court. No original suit was filed or execution of decrees applied for in the Hazur Court during the year under report.

19. Sixteen suits were filed in the Court of the Nyayadhish during the year under report, all of which were monetary suits while 9 suits were filed during the last year. so, there is an increase of 7 suits which is due to the fact that this year being a year of good harvest, the creditors have filed their claims with a hope that they will get their dues from the cultivators if they get decrees in their favour for their dues.

20. There was no appeal filed in the Hazur Court against the decision of the Nyayadhish during the year under report. (Vide App. XII).

21. *Extradition:*— Manji alias Vashram Vela was handed over to this State for trial with the intervention of the Agency and the following persons were handed over to this State by the Junagadh State without the intervention of the Agency under the convention rules.

1. Naran Hira of Dhandhawada under Junagadh charged under S. 382, 326, 109 I. P. C.
2. Govind Petha do. do. do.
3. Bhavan Hira do. do. do.
4. Karna Hardas do. do. do.
5. Maya Dana do. do. do.

and Vipra Jadawji Jivabhai of Valardi charged under S. 420 and 424 I. P. C. was handed over by this Taluka to the Baroda authorities at Wadhwan on the 27th September 1919 with the intervention of the Agency.

22. *Jail:*— There is only one Jail in this Taluka which is located at Pithadia. The statistics regarding it are given in App. XIII.

23. The general health of the inmates of the jail and their treatment continued to be satisfactory.

24. *Registration:*—Registration rules have been framed and published by this Taluka. But as no document was presented for Registration during this year as shown in App. XIV and XV, there is no income on that account and there being no separate establishment for this purpose there is no cost on account of the same.

25. *Municipal Administration:*—App. XVI is appended. There is no regular municipality in any of the suvang villages of this Taluka but steps are being taken to keep roads and streets clean by Bhangis at Pithadia. There are however, municipalities at Jetpur, Chital and Mendarda. One at Jetpur is managed by a Committee of Talukdars under the supervision of the Taluka Court, while that at Chital by a Committee formed of the representatives of the Chital Bhagdars and that at Mendarda by the shareholders themselves.

All the three municipalities are maintained at the joint expense of the shareholders concerned. New municipal rules for the Municipality of Menderda have been framed by the shareholders concerned and they have been put into force with effect from 1st of April 1918.

## CHAPTER IV.

### GENERAL CONDITION.

26. The average rainfall during the year was 21 inches and 12 cents against 2 inches and 35 cents of the preceding year [vide App. XVII.

This year, there being timely good downpour, has turned out to be a year of good harvest.

27. This Taluka on the whole is in a prosperous condition as our Darbar Saheb keeps a very keen eye over the revenue administration of the Taluka.

28. The chief articles of trade are food grains and cotton. There are no manufactures to speak of. A small quantity of cotton is woven but it is mostly for home consumption.

29. The prices of food grains are given in App. XVIII. A reference to it will show that the prices of cereals except rice, gram and pulse are becoming normal and the rates which were prevailing in 1917-18 are restored.

30. A sum of Rs. 11923-5-2 was spent on public works as shown in App. XIX.

31. The condition of the agricultural stock is fair. The detail of the number is given in App. XX. There was no epidemic disease among them.

## CHAPTER V.

### REVENUE AND FINANCE.

32. A contract for the sale of country liquor at Pithadia was given for Rs. 350-0-0 for this year. Licenses are issued for the sale of Ganja in the Taluka which have yielded Rs. 106-0-0. Thus the total excise revenue amounts to Rs. 456-0-0 [ vide App. XXI.] The production of Ganja in this Taluka is carried on departmentally. A contract for the sale of opium in the Jetpur Taluka and that for Ganja in Mazmu villages is given by the Taluka Court Jetpur. The income derived therefrom is divided among Jetpur shareholders in proportion to their respective shares in the Taluka and villages.

33. There is one forest in the Gir and care is being taken to preserve it. The sale of teek wood, timberfuel and grass from the Gir, brings a good income to the Taluka.

34. This Taluka has got a two annas share in the Jetalsar-Rajkot Railway.

35. The rainfall during this year being very good and timely, this year has yielded abundance of Kharif and rubi crops and this year has turned out a year of good harvest.

36. The average annual income of this Taluka is about Rs. 100000 and the expenditure about 90000. The actual receipts and expenditure for the year under report are given in App. XXII. It will thus appear that this Taluka is financially in a good condition.

## CHAPTER VI.

### MEDICAL AND VITAL STATISTICS.

37. There is no hospital or dispensary in any of the suvang villages of this Taluka. [vide App. XXIII], but Doctor Mr. B. R. Patel L. M. &S. who is the family doctor to the Chief treats the people of Pithadia gratis with the help of Durbar Saheb. There are however dispensaries at Jetpur, Chital and Menderda. The former two are managed by the Taluka Court and the latter one is managed by the shareholders of Menderda and this Taluka pays its share of the cost.

38. During the year under report there were 211 births and 183 deaths while in the previous year there were 196 births and 605 deaths. Thus there is an increase of 15 births and decrease of 422 deaths. The birth and death rates during the year were respectively 28·6 and 24·8 against 26·6 and 82·1 per thousand of the previous year [Vide App. XXIV]. This State of things shows that by the grace of God the general health of the Public has continued satisfactory throughout the year. The birth and death registers are kept in all villages of this Taluka by the police patels and no separate establishment is maintained for this purpose and hence there is no expenditure on this account.

39. The number of children vaccinated during the year under report is 173 ( 89 boys and 84 girls. )

40. There was no outbreak of Plague and cholera but there were some cases of small pox and influenza as shown below.

| | Cases | Deaths |
|---|---|---|
| SMALL POX | 1 | 1 |
| INFLUENZA | 30 | 19 |

## CHAPTER VII.

### EDUCATION.

41. An undertrial vernacular school is opened at Pithadia from the 17th July 1916 agreeably to the advice of the Political Agent Sorath Prant and it is to be seen how it prospers. The number of pupils

# THE
# ANNUAL ADMINISTRATION REPORT OF
## THE TALUKA OF
# D. S. WALA MULU SURAG
# of JETPUR.
## for the year 1920-21 st. 1976-77

## CHAPTER I.

*GENERAL AND POLITICAL.*

The area of this Taluka is 35 square miles. It has now in all 19 swang villages a list of which was given in the year 1914 as shown in the previous Annual Administration Report. Besides these, this Taluka has joint shares or separate patis in seven mazmu villages. The population of the swang villages of this Taluka was 7362 souls but according to the recent census of 1921 it is reduced to 7269 souls. It shows a decrease of 93 souls which is due to the outrage caused by Influenza in the year 1918-19. The average gross revenue of this Taluka is about Rs. 100000.

2. The tribute payable by this Taluka is as follows:—( vide XXI. A.)

| | | |
|---|---|---|
| Government Tribute | Rs. | 5057—8—0 |
| Gaekwar Tribute | „ | 53—12—6 |
| Amreli Jamabandhi | „ | 1435—8—0 |
| Junagadh Jortalbi | „ | 523—4—0 |
| Total | Rs. | 7070—0—6 |

3. The chief Wala Shri Mulu Surag by name is a Kathi by caste and is 50 years old and enjoys a fourth class jurisdiction ( vide App. XXI B ). He has hitherto no heir either natural or adopted.

4. He has got now 4 wives.

5. The noteworthy events occurred during the year under report are as follows:—

I An amicable settlement of a case of Damler Motor and two prima facie cases has been effected with D. S. Bhanwala.

II As Major L. E. Lang Political Agent Sorath Prant who had secured great affection of the whole District by his cosmopolitan policy was proceeding on a long leave, an evening party was given in his honour by our D. S. at Jetpur at the Darbari Guest House on the 24th March 1921. There was a great assemblage of respectable gentlemen and high officers of Jetpur and distinguished visitors from outside. D. S. Walas Kanthad Godad and Ebhal Vajsur who reside in Jetpur, were also present. A sumptuous entertainment was given to Major Lang on that night at Pithadia. Mr. C. Mayne Principal Rajkumar College with Mrs. Mayne who had kindly accepted our Darbar Saheb's invitation were also present in those rejoicings.

III The parting reception committee of Major Lang requested our D. S. to open an engine house at Jetalsar to be called as Lang Engine House and their request was acceded to with thanks by our D. S, because it was indeed an honourable privilege accorded to him. Our D. S. performed the opening ceremony on the 31st March with great pleasure and he declared his intention to establish 5 scholarships of Rs. 2-0-0 each in the Jetpur girl School in the name of Mrs. Lang as a memento for this occasion.

IV The work of construction of the Somghat on the river Bhader is nearly completed only the road joining it is to be paved and repaired. It has cost upto now Rs. 2353-14-4 ( vide App XIX ).

V. Mr. J. R. Desai continues to be as Kamdar (vide App. I.)

## CHAPTER II

### *ADMINISTRATION OF LAND.*

6. The system of Land revenue is the Bhagbatai system and not the Vighoti. There are two kinds of levy in this Taluka one levy in kind and the other in cash which includes vero and other auxilliary taxes.

7. With the exception of the Gir Land there is very little culturable waste in this Taluka. The greater portion of the land in the Gir is being preserved for forest purposes.

8. There is no alienation of land or settlement of boundary dispute during the year under report.

9. Though this year has turned out to be a year of poor harvest still no suspension of vero or other taxes is needed.

## CHAPTER III

### *PROTECTION AND LEGISLATION.*

10. The laws in force in the Taluka are those mentioned in App. II.

11. Military Force:—App. III. There is no Military Force in this Taluka.

### *POLICE.*

12. The number of regular Police including three swars, one Jamadar, one Havaldar, one Nayak and one writing constable is 17. The police are employed as jail guards in Pithadia and swars in miscellaneous Darbari work.

13. They are armed with muzzle loading rifles and carbines and are trained in drill. In addition to the above this Taluka employs 15 police patels 80 pasaitas or village police and 89 men of Sirbandhi varying according to requirements. These men are employed in revenue work and the number has hitherto been found sufficient for the preservation of peace and order and for the detection of crimes. The cost of Police is Rs. 2364-0-0 and the pay of four fouzdars is Rs. 1320, thus making a total of Rs. 3684-0-0 ( vide App. IV. )

14. The ratio of police including the village police and sirbandhi to the population is 2·6 per hundred and 5·7 per square miles. Statistics of work done by Police are given in tabulated form ( vide App. V, VI, and VII. )

Our village of Karsongadh situated in the Gir Forest was looted on the night of 12th Oct. 1920 by two decoits named Koli Lakhlo and Mansing. The property worth about Rs. 112-14-0 including two blankets were taken away. They were outlaws of Junagadh.

As soon as the information was received our Jamadar hurriedly ran upto the spot with a number of village police, opened fire upon them but the night being dark they secured their escape. Three days after a gist of Junagadh had an encounter with them in which Koli Mansing was killed and Lakho secured his narrow escape who after sometime was also killed in a scuffle at Gedia within D. S. Wala Kanthad Naja's limits.

The property found from Koli Mansing was shown to the police authorities of surrounding districts and our police got the two blankets identified by the person from whose house they were taken away and we got their possession in due course.

15. *Criminal Justice*:—This Taluka possesses one subordinate court and one Huzur Court. The subordinate court is called the Nyayadhish court and is presided over by a Nyayadhish who is invested with powers of a first class Magistrate. He is also a committing Magistrate. The Huzur Court is the appellate court of this Taluka. The work performed by the Nyayadhish as well as by the Huzur Court during the year under report is shown in the App. VIII and IX.

16. There was no appeal filed against the decision of the Nyayadhish court during the year under report.

17. *Civil Justice*:—The subordinate court i. e. the Nyayadhish court is also empowered to hear suits upto the value of Rs. 5000. Appeals lie against the decision of this court to the Hazur Court which exercises the original jurisdiction to hear suits upto the value of Rs. 10000.

18 App. X and XI show the work done by the Nyayadhish and the Hazur Court. No original suit was filed or execution of decrees applied for in the Hazur Court during the year under report.

19. Thirty seven suits were filed in the court of the Nyayadhish during the year under report all of which were monetary suits while 16 suits were filed during the last year. Thus there is an appreciable increase of 21 suits which is due to the fact that in this monetary crisis creditors are very eagerly trying to secure their dues by getting decrees in their favour.

20. There was no appeal filed in the Hazur Court against the decision of the Nyayadhish court during the year under report ( vide App. XII ).

21. *Extradition*:—This year no accused was received or handed over by this Taluka with or without the intervention of the Agency.

22. *Jail:*—There is only one Jail in this Taluka which is located at Pithadia. The statistics regarding it are given in App. XIII.

23. The general health of the inmates of Jail and their treatment had continued to be satisfactory.

24. *Registration:*—Registration rules have been framed and published by this Taluka but as no document was presented for registration during this year as shown in App. XIV there is no income on that account vide App. XV. and there ~~is~~ no being separate establishment for this purpose there is no cost on account of the same.

25. *Municipal Administration:*—Appendix XVI is appended. There is no regular municipality in any of the swang villages of this Taluka but steps are being taken to keep roads and streets clean by Bhangis at Pithadia. There are however municipalities at Jatpur, Chital and Mendarda. One at Jetpur is managed by a committee of Talukdars under the supervision of the Taluka court while that at Chital by a committee framed of the representatives of Chital Bhagdars and that at Mendarda by the shareholders themselves.

## CHAPTER IV.

### *GENERAL CONDITION.*

26. The average rainfall during the year was 24 inches and 12 cents against 21 inches and 12 cents of the preceding year( vide App. XVII. ) This year the first downpour was very heavy while the 2nd and 3rd downpour being very scanty this year has turned out to be a year of poor harvest.

27. This Taluka on the whole is in a prosperous condition as our Darbar Saheb keeps a very keen eye over the revenue administration of the Taluka.

28. The chief articles of trade are food grains and cotton. There are no manufactures to speak of. A small quantity of cotton is woven but it is mostly for home consumption.

29. The prices of food grains are given in App. XVIII which will show that prices of cereals are becoming normal.

30. A sum of Rs. 7276-15-4 was spent on public works as shown in App. XIX.

31. The condition of the agricultural stock is fair. The details of the number is given in App. XX. There was no epidemic disease among them.

# CHAPTER V.

## *REVENUE AND FINANCE.*

32. A contract for the sale of country liquor at Pithadia was given for Rs. 350-0-0 for this year. Licenses are issued for the sale of ganja in the Taluka which have yielded Rs. 136-0-0. Thus the total excise duty amounted to Rs. 486-0-0 ( vide App. XXI ). The production of ganja in this Taluka is carried on departmentaly. A contract for the sale of opium in the Jetpur Taluka and that for ganja in mazmu villages is given by the Taluka Court Jetpur. The income derived therefrom is divided among Jetpur shareholders in proportion to their respective shares in the Taluka and villages.

33. There is one forest in the gir and care is being taken to preserve it. The sale of teek wood timber fuel and grass from the Gir brings a good income to the Taluka.

34. This Taluka has got a two annas share in the Jetalsar-Rajkot Railway.

35. Though the rainfall during this year was more than that of the last year but its second and third downpour being very scanty this year has turned out to be a year of poor harvest and will yield ten to twelve annas in a rupee.

36. The average annual income of this Taluka is about Rs. 100000 and the expenditure is about Rs. 90000. The actual receipt and expenditure for the year under report are given in App. XXII.

# CHAPTER VI.

## *MEDICAL and VITAL STATISTICS.*

37. There is no hospital or dispensary in any of the swang villages of this Taluka (vide App. XXIII ) but Dr .B. R. Patel L. M. & S.who is the family doctor to the Chief treats the people of Pithadia gratis with the help of the Darbar Saheb. There are however dispensaries at Jetpur, Chital and Mendarda. The former two are managed by the Taluka Court and the latter one is managed by the shareholders of Mendarda and this Taluka pays its share of the cost.

38. During the year under report there were 158 births and 220 deaths while in the previous year there were 211 births and 183 deaths. Thus there is a decrease of 53 births and increase of 37 deaths. The birth and death ratio during the year were respectively 21·4 and 29·8 against

and 24·8 per thousand of the previous year ( vide App. XXIV). This shows the general health of the public has continued to be satisfactory throughout the year. The birth and death registers are kept in all villages of this Taluka by the Police Patels and no separate establishment is maintained for this purpose and hence there is no expenditure on this account.

39. The number of children vaccinated during the year under report is 193 ( 112 boys and 81 girls ).

40 There was no outbreak of plague small pox and influenza but there were only four cases of cholera all of which proved fatal.

## CHAPTER VII

### *EDUCATION.*

41. An under trial school is opened at Pithadia from the 17th July 1916 agreeably to the advice of the Political Agent Sorath Prant but its progress is not at all satisfactory so far as the boys of cultivators are concerned their attendence is very poor. The number of pupils on the roll on the 31st March 1921 was 24 while the daily average attendance is 19·5 as shown in App. XXV.

Besides this a number of schools is maintained in the Majmu villages of the Jetpur Taluka supervised by the Jetpur Taluka Court and this Taluka pays its share of the cost. The statistics of the schools are supplied directly to the Political Agent Sorath by the Taluka Court.

## CHAPTER VIII

### *MISCELLANEOUS.*

42 There is no Printing Press or Library in any of the swang villages of this Taluka but there is a Library named the Russel Library in Jetpur which is maintained at the joint expense of the shareholders of Jetpur and this Taluka pays its share of the cost.

43. There is no mint in this Taluka.

44. There is no Post Office in any of the swang villages of this Taluka but letter boxes are kept at Pithadia, Vandalia, Valardi and Samadhiala.
